

# ALGER COUNTY FAIR MARKET BOOK

\_\_\_\_\_ JUNIOR

\_\_\_\_\_ SENIOR

Name: \_\_\_\_\_

Address: \_\_\_\_\_

City, State, Zip: \_\_\_\_\_

Birth Date: \_\_\_\_\_

This record book has been created specifically for the market chicken project at the Alger County Fair.

Keeping a record book is an important part of your project. It will help you set goals for the project year, record your accomplishments, and provide a place to keep important records on your project.

This record book is **required** for participation in the market chicken auction. Submit this book to the poultry superintendent by 6 p.m. on Thursday of the Alger County Fair. **PLEASE PRINT OR WRITE CLEARLY!**

If you have questions or need help on this record book do not hesitate to ask others in your club or family. The poultry superintendent is also available to answer any questions you may have.

This record book has been completed to the best of my ability. All data is current to this year's project and all pictures provided are of the chicken used in this project.

---

**Exhibitor Signature**

---

**Parent/Guardian Signature**

**This is my \_\_\_\_\_ year doing a market chicken**

**Project Goals (at start of project)**

State at least three goals at the beginning of your project year.  
Tell what you would like to learn.

1. \_\_\_\_\_  
\_\_\_\_\_
2. \_\_\_\_\_  
\_\_\_\_\_
3. \_\_\_\_\_  
\_\_\_\_\_

**Summary of Accomplishments (when project book due)**

# Animal Care and Management

Your project requires regular care and management. List the things necessary to care for your project.

Include:

- Feeding and watering practices
- Health practices
- General Management
- Grooming

<b>Daily – Things done once or twice a day</b>
<b>Weekly – Things done once or twice a week</b>
<b>Monthly – Things done once a month</b>

## Feed Records and Expenses

Keeping good feed records is important. Good records show your expenses for feed and what kind of feed you use for your project. A good practice is to enter your feed expenses when you buy the feed. At the end of each month, total each kind of feed used and its cost and record the information below. Home-raised feeds should be valued at market price (what it can be sold for).

<b>Date of purchase</b>	<b>Amount of feed purchased (lbs)</b>	<b>Type of feed</b>	<b>Cost or Value</b>
	<b>Total Pounds</b>	<b>Total Feed Cost</b>	<b>\$</b>

# PROJECT NARRATIVE

1. What is Pollorum Disease?

---

---

---

---

---

2. What can you do to reduce stress to your chicken?

---

---

---

---

---

---

---

3. How did you market your chicken?

---

---

---
